

PTA Agenda Sept 2023

Welcome to FHLCS PTA. We are so excited to have you here!

What is the PTA?

The FHLCS PTA is composed of parents, teachers and staff. All activities and initiatives are run by volunteers.

Who is in charge of the PTA?

Currently we are looking for parents who are interested in helping run the PTA. We have some veteran parents who are still helping out but we are looking for people to help take over

The time commitment for the PTA is typically one meeting a month.

What does the PTA support?

- The PTA supports extracurricular activities to help build fellowship among the parents and families.
- We also have fundraisers to support extra needs of the school.
- We run a jog a thon (Run for the Hills) every spring to pay for our fine arts program at school

What are the PTA's Goals?

This year the PTA would like to focus their fundraising efforts on building a new playground. Our current structure is in disrepair and needs to be replaced.

What is the PTA's budget?
