

## SPRING BREAK

As we approach the much-anticipated Spring Break, I want to take a moment to reflect on the significance of this time, not only as a pause in our academic calendar but also as a period of reflection and celebration. This year, Spring Break coincides with Easter, a time of renewal, hope, and faith for many of us. Spring Break offers us a chance to step back from our daily routines, recharge, and spend quality time with our loved ones. Whether you're traveling to new destinations, spending time in nature, or simply enjoying a staycation, I encourage each of you to embrace this time fully and make the most of it. Additionally, Easter holds deep significance for our community, as we celebrate the resurrection of Jesus Christ and the promise of new life. As we gather with family and friends to commemorate this occasion, let us be mindful of the blessings that surround us and extend our gratitude to those who enrich our lives.

Wishing you all a blessed Spring Break and a joyous Easter filled with love, peace, and hope. We'll see you back here on April 2nd!

Blessings, Principal Luna

## AUCTION UPDATES

April 27th at Carpenter Creek Winery. Mark your calendars for a fantastic evening of fellowship, featuring a gourmet dinner, an entertaining live and silent auction filled with fun activities and one-of-a-kind items.

### ATTIRE

Dress in cocktail attire or your best gardener's/farmer's outfit. YES, we said it, your best gardening or farming outfit! We'll be handing out prizes for the best gardener/farmer costumes.

### WHY FARM/GARDEN ATTIRE?

Our theme for the 2024 FHLCS Auction is John 15:5, "I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing." Much like gardening or farming, nourishing our relationship with the Father is vitally important to a fruitful life.
