

A LETTER FROM PRINCIPAL LUNA

As we embark on the final stretch of this academic year, I am reminded of the impact we can have on each other's lives through the power of supportive friendships. These connections often become even more crucial during these times.

In Hebrews 10:24, we are encouraged to "consider how we may spur one another on toward love and good deeds." This verse reminds us of the responsibility we have to uplift and encourage each other, especially during challenging times. As we navigate the last full month of school, let's keep this principle close to heart. Let's actively seek opportunities to support and uplift each other, whether through a kind word, a listening ear, or a helping hand.

We live in a culture of independence and get it done with our own strength. Yet God designed us to need each other. Similarly, Galatians 6:2 reminds us of our shared responsibility within our community: "Carry each other's burdens, and in this way, you will fulfill the law of Christ." As we approach the end of the school year, let's help carry each other's burdens. This means we help others and ask others for help when we need it.

Let's make this last month together a time of strengthening bonds, fostering connections, and support that defines our school community. Together, let's make every effort to create an environment where every member feels valued, supported, and empowered to thrive.

Thank you for traveling along on this journey with us! We trust that God has revealed His love and truth to your child and your family along the way! It is a joy to teach your children the importance of friendship.

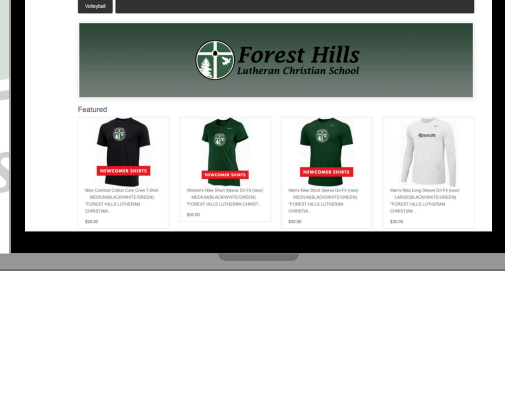

Blessings on your day,

Kimberly Luna
Principal
