FALCON FLY-UP

Falcon Fly-Up is a FHLCS tradition where students get the opportunity to meet their teacher for the coming school year. On Friday, May 31, students will have a fun get to know you Q&A session with their teacher for the coming 2024-25 school year.

SMILE FOR THE CAMERA Say, "cheese." Friday, May 31st is our whole school picture day. All staff and students will come together for a group picture.

FIELD DAY

Field Day, it's a thing! A highly anticipated event where classes pair up with their buddies to compete in a variety of fun outdoor events. Following the morning field day events, students will have lunch with their buddies. After lunch, kindergarten through fourth grade will breakoff for movie time, sponsored by the PTA. Fifth through eighth grade will finish off the afternoon of festivities with a spirited game of capture the flag.

Like many events at Forest Hills, this event would not be possible without volunteers. We're still in need of a few items and individuals for Field Day. Check out the Field Day SIGN UP sheet to see how you can get involved.

TOGETHER WE MAKE A DIFFERENCE

Together we make a difference in keeping Christian education accessible. The results are in and the 2023-24 FHLCS Auction raised over sixty-two thousand dollars. The paddle raise portion of the funds raised will go towards creating a dedicated space for the Art program. Renovations of the former OCDC building are already underway!

Thank you to all those who supported the auction. Whether you volunteered, attended the evening or participated in the basket competition you have played a pivotal role in the success of the auction. A special thank you to all of our event sponsors. Be sure to support these Forest Hills' Partners:
