miss it!**

# HELP WANTED!

## HELP OUR INDOOR GARDEN GROW

Some of the FHLCS Nutrition Program's goals are to incorporate fresh, homegrown ingredients as well as provide hands-on education for students. To do this, we would love to create a few micro-gardens in the form of windowsill or counter-top planters in the lunchroom! If you're looking to get rid of any small pots, planter boxes, or hand tools for gardening, we'd happily take them off your hands!

## PANCAKE BREAKFAST COMMITTEE

We will be hosting a pancake breakfast fundraiser for the FHLCS Nutrition Program on **Saturday, November 9th** during the Christmas Bazaar. In order for the event to run smoothly, we'll need volunteers to seek food donations, set-up & decorate, collect tickets and payment at the door, serve food, and assist with clean-up. If you'd like to help out either in the planning or day-of, please **contact Erin Ysunza at [ysunzae@fhlcs.org](mailto:ysunzae@fhlcs.org)**.
