Grandparents Day: A Special Celebration for Grandparents and Students
Join us on Friday, October 4, from 12:00 to 2:30pm for a unique assembly and classroom experience with your grandchild. This event requires an RSVP. With a valid early dismissal form, your student can leave at 2:30pm with their grandparent. Please complete the early dismissal section of the event registration to indicate whether your child is authorized to leave early with their grandparents. Students without a valid early release form will not be allowed to depart with their grandparents. You can register for Grandparents Day [HERE](#).

reserved seating & parking

Have you noticed the two reserved parking spots at the front entrance? Those parking spots are specially reserved for the winners of the 2024 Auction Premiere Parking. Please refrain from parking in this area. Violators may be subject to fines.

keep it movin'

Help us keep the traffic moving. Please review the maps for the pick-up and drop-off procedures. During morning drop-off, traffic flow in front of the main entrance is one-way. For the safety of students, please do not navigate around the Do Not Enter signs.

If you're utilizing the car drop-off lane, please be sure to not block the roadway--instead, turn right to utilize the middle school parking lot to turn around and help keep the car drop-off line from backing up onto the main road.
