reenrollment is underway

Open enrollment is the time to confirm your current student's 2025-2026 spot and ensure we have the most up-to-date information for your household.

Now through Jan 22nd is priority enrollment for current students. Spots become open to new students Jan 23rd. Several classes are expected to be full. If re-enrollment is not completed by Jan 22nd, it's possible your student could lose their spot. Past due TADS accounts cannot re-enroll until they're brought current.

principal announces special appeal

At Forest Hills Lutheran Christian School, this year's theme, Endure, encourages us to persevere in faith, inspired by Hebrews 12:1-3: "Let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith."

As we prepare for our auction, Under the Stars, we celebrate the enduring mission of our school and our commitment to nurturing students in a safe and Christ-centered environment. This year's paddle raise will directly strengthen the safety and security of our school, ensuring our students have a secure environment to run their race with faith and courage. With your support, we can continue to endure together, building a bright and secure future for our school community.

Blessings on your day, Principal, Kimberly Luna
