## Letter from the principal

"Let all that you do be done in love." – 1 Corinthians 16:14

February is a special month at Forest Hills, filled with reminders of love, perseverance, and celebration! As we continue our school year with the theme Endure, we reflect on how God's love sustains us in all things—whether in learning, competition, or daily interactions.

One of the exciting events this month is our participation in LEST (Lutheran Elementary Schools Tournament). Our students have been working diligently, practicing and preparing to represent Forest Hills with excellence in academics, music, athletics, and more. This tournament is more than just competition; it's an opportunity to demonstrate teamwork, perseverance,

and Christ's love in all that we do. Please keep our students and coaches in your prayers as they showcase their gifts and talents!

In our primary grades, we are reaching an important milestone—the 100th day of school! This time is always a fun way to celebrate growth, learning, and the endurance it takes to reach this point in the school year. Our younger students will be engaging in creative activities that highlight just how much they have learned and accomplished.

February is also a time to reflect on the love we share as a school community. Love is shown in the way our teachers pour into their students, in the friendships formed in our hallways, and in the way we support one another each day. As we endure through challenges and joys alike, we are reminded that all we do should be done in love—just as Christ has first loved us. Thank you for your continued partnership and prayers. May this month be filled with joy, perseverance, and a deeper understanding of God's love for each of us.

Blessings on your day,

Kimberly Luna
