

FHLCS ARTS DEPARTMENT PRESENTS COLORS OF THE SEA ARTS SHOWCASE

We value the arts and understand the profound impact such programs have on cognitive function and academic performance. This Friday, we invite you to join us in celebrating the arts from 5:00 to 7:30 PM, as our campus transforms into an art gallery and concert hall.

- Enjoy works from over 160 featured artists
- Experience live musical performances by K-3 students
- Explore our glow gallery
- Participate in a book exchange
- And did we mention cookies?

In the Primary building, middle school students will also be selling pizza, drinks, and various snacks; both Venmo and cash are accepted. Don't forget to bring cash for cookies and come discover the Colors of the Sea!

dress code clarification

As additional clarification on Forest Hills' dress code, makeup may only be worn by girls in Middle School. Shorts should be an appropriate length and modest. Spandex or volleyball shorts are not permissible attire for the classroom setting. If a staff member deems that a student is not following the guidelines, they have the right to ask them to comply. Students are expected to respect the decision of the staff member. Students may be required to call home or to wear school-supplied clothing in the event something inappropriate is worn to school. To learn more about dress code please visit **FHLCS Student Handbook**.

book exchange

During the May 2nd, Art Showcase be sure to stop by the library for the book exchange. Start going through your books and sorting out those which your child has outgrown. We have extra books at the library and will be happy to trade with you. Bring your books early, and we will give you a ticket which you can redeem at the exchange. This is your chance to level up your book collection to reflect the reading skills your child has mastered this year! Likewise, come prepared to pass your favorite books on to your fellow students. You can also choose to buy books. All proceeds will go to build the library collection.
